

Letter of Recommendation

Mouha Ohammou Zayani High School
Sale, Morocco

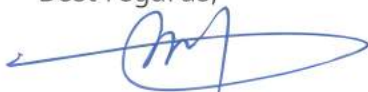

Dear Selection Committee,

I am writing this letter of recommendation in strong support of Youssef Beddouch's application. I have been Youssef's math teacher for the past two years here at Mouha Ohammou Zayani High School.

While Youssef had some personal problems during his first year that impacted his academic performance, resulting in lower than normal grades, he has demonstrated outstanding persistence and determination in turning things around. Despite facing challenges, Youssef approached his studies with renewed focus and effort. He took the initiative to spend additional hours in self-study and with tutoring assistance to strengthen his understanding of key concepts.

I am pleased to report that Youssef has shown significant improvement in his academics over the past year. He has proven that he is capable of managing stressors while excelling in rigorous coursework. It is my professional assessment that Youssef Beddouch has the skills, motivation, and determination necessary to succeed and excel if given the chance. I highly recommend him and believe he will make an excellent addition to the community. Please let me know if you require any additional information.

Best regards,
